

4th Grade News You
Can Use For
October 15 – 19, 2018

MATH

Students will multiply a whole number of up to four digits by one digit whole number, and multiply two digit two-digit numbers, using strategies based on place value and the properties of operations.

Partial Products		Area Model	
324	300 + 20 + 4	x	300 20 4
x 6		6	1,800 120 24
24	6 x 4		
120	6 x 20		
1,800	6 x 300		
1,944			1,800 + 120 + 24 = 1,944

SOCIAL STUDIES

Students will publish their writings on the American Revolutionary War. We will begin to discuss the challenges and leaders of the Constitutional Convention.

Science

Students will compare stars and Planets

4E1C Comparing Stars and Planets
Earth and Space Science.

AR Requirements

Students must achieve 13 AR points. As part of the requirements, your child must also have 1 chapter book that is included into their 13 points. Gems are students who reach 20 points.

** Remember AR counts toward your child's Reading grade.
